Wyandotte Elementary School 5K Event

We request that the following roads be closed for the minimal amount of time necessary for the 2022 5K event: County Road 50 S and County Road 550E.

This event will take place Friday, April 29, 2022 from Wyandotte Elementary School at 6:00pm

Route:

Starting at Wyandotte Elementary parking lot, participants will turn Left/West onto 50 S around 6:00 pm and head towards 550 E. Participants will then turn Left/South onto the shoulder of 550 E and run/walk against traffic toward McCarty Lane. (This is approximately 1 mile from Wyandotte and participants should reach this corner around 6:30 pm and we can remove the cones and return 550 E to it's normal traffic pattern). At McCarty lane, participants will then turn Left/East onto the McCarty Lane sidewalk and continue on the sidewalk until they reach 50 S. At 50 South, participants will turn Left/West and return to Wyandotte Elementary School where they will finish in the Wyandotte elementary School parking lot. Based on a participant walking a 20 minute mile pace, 50 South should be reopened at approximately 7:00 pm to a normal traffic pattern.

LOCATION:

We request the approval of the Board of Commissioners for the following:

- To close County Road 50 S from 550 E to Wyandotte Elementary from **5:45pm-6:15pm** for the start of the event
- To close 500 E from 50 S to McCarty Lane from **6:00 pm to 6:30pm**
- To close 50 S from McCarty back to Wyandotte Elementary from **6:30pm to 7:30pm**

TRAFFIC ROUTED:

We request the participants in the event be allowed to run/walk on the left shoulder of County Road 50 S and 550 E in a designated coned off area so as to not have to cross traffic or roads. Once on McCarty Lane participants will be able to run/walk on the sidewalk on the North side of the street.

By using the left shoulder, going against traffic, we hope to be able to keep 50S and 550 E open to normal traffic flow during the event.

TRAFFIC PROTECTED:

We will have volunteers stationed at the event corners, intersection and neighborhood driveway along 50S and 550 E to assist with traffic and direct participants. We will also have lead volunteers at the beginning of the event to keep participants on course and volunteers following participants to pick up anyone who is unable to finish the route and collect the cones.
